LLDIMS received CRS award from CASI Global New York in 2020-21

Corporate Social Responsibility (CSR) is a concept that involves companies taking responsibility for the impact of their operations on society and the environment. To recognize CSR efforts, companies/individuals are given CSR awards. Such awards are important because they acknowledge companies making a positive difference in the world. They also encourage other companies to adopt sustainable practices and promote social impact.

CASI Global New York gives CRS award for the 2020-21 for immense contribution in uplifting society and the environment.

LLDIMS received Award of Participation from Industry Orientation APJ 2020-21

Industrial visit has its own place of importance in a career of a student who is pursuing a professional degree course like BAJMC, B.Com (H) BBA. In fact, it constitutes a part of core course curriculum taught at the college. The objective of an industrial visit is to provide the students an insight regarding the internal working of companies. Today, we all perfectly understand that theoretical knowledge is just not enough for a successful professional career. It is here that by going beyond academics, industrial visit provides students a much relevant practical perspective of the actual work place and the larger world of business. All this makes the importance of Industrial visits all too evident, especially for students pursuing a various professional courses.
