A. Soft Skills:2018-19

Extempore Workshop (08/09/2018)

In a bid to foster effective communication skills and enhance spontaneous expression, LLDIMS organized a dynamic workshop on Extempore on September 8, 2018. The event, held during the academic year 2018-19, proved to be a resounding success as students from diverse backgrounds gathered to participate in this intellectually stimulating experience. The workshop not only provided a platform for participants to showcase their impromptu speaking abilities but also offered valuable insights into articulation, critical thinking, and effective time management. Facilitated by experienced professionals, the event at LLDIMS underscored the importance of quick thinking and coherent communication in both personal and professional spheres. Participants left the workshop equipped with newfound confidence, honed communication skills, and a deeper appreciation for the art of extemporaneous speaking.

Industrial Visit (13/08/2018), Dept. of BAJMC

Embarking on a dual industrial exploration, students from LLDIMS undertook enlightening visits to two distinguished organizations. On August 13, 2018, a cohort of 92 students delved into the dynamic world of media and broadcasting during an insightful visit to India TV. The experience provided an in-depth understanding of the intricacies involved in news production, offering students a firsthand look at the fast-paced environment of a leading media house. Building on this momentum, on October 12, 2018, a group of 55 students from LLDIMS continued their educational journey with an industrial visit to an undisclosed destination. This visit, meticulously organized by LLDIMS, aimed to expose students to diverse industrial practices, fostering a practical understanding of the theories learned in the classroom.

Talk on soft skill, (21/08/2018)

The BAJMC Department organized a compelling Talk session on soft skills on August 21, 2018, attracting an enthusiastic audience of 84 participants eager to refine their interpersonal abilities. The session, designed to bridge the gap between technical expertise and essential soft skills, featured insightful discussions and practical tips. Renowned speakers from various industries shared their expertise, addressing crucial soft skills such as communication, teamwork, and adaptability. The interactive nature of the event facilitated open dialogue, allowing attendees to pose questions and engage in meaningful conversations. With a focus on real-world applications, the Talk on soft skills not only heightened awareness of the significance of these competencies but also provided participants with actionable strategies to incorporate them into their professional journeys. The event exemplified the BAJMC Department's commitment to holistic education by equipping students with the comprehensive skill set necessary for success in today's dynamic workplace.
