### World Environment Day Presentation -4-06-2022

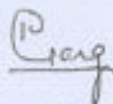

Eco cell of Lingaya's Lalita Devi Institute of Management and Science (LLDIMS) celebrated "World Environment Day" on 4<sup>th</sup> June 2022 with the theme "HaritUtsav".

The event took place in online mode. During the event, the students of Journalism and Mass Communication Department, from 1<sup>st</sup> year, prepared a video focusing on the theme "HaritUtsav" which talked about various different issues like pollution, exploitation of non renewable resources, biodiversity and the impact of continuous climate change on earth. The event also focused on various other issues responsible for the deterioration of the planet. Further, the objective of the event was to highlight the ways which can be put to use to protect the environment.

The event also focused on the theme #OnlyOneEarth. Considering the need to generate awareness regarding the need of environment conservation, the event was then followed by presentation of posters on Biodiversity highlighting the need of protecting the environment.

**ESSAY WRITING COMPETITION ECOLOGICAL FOOTPRINT VS POLLUTION**  
**DATE -21-07-2022**

Eco cell organized an Essay writing competition on the topic of ecological footprint vs pollution on 21 July 2022 for students of BBA and BCOM (Hon). The simplest way to define ecological footprint would be to call it the impact of human activities measured in terms of the area of biologically productive land and water required to produce the goods consumed and to assimilate the wastes generated

### Lecture on Ozone depletion -16-09-2022

In an enlightening session held on September 16, 2022, titled "ECO CELL organised Lecture on Ozone Depletion," attendees from all departments gathered to delve into the critical issue of ozone depletion. The discourse highlighted the alarming trends and consequences associated with the diminishing ozone layer, emphasizing its profound implications for global climate, human health, and ecosystems. This engaging lecture served as a pivotal moment for fostering awareness and collective action towards safeguarding the Earth's protective ozone layer for present and future generations.

### Eco friendly diwali -11-10-2022

On October 11, 2022, ECO CELL spearheaded a commendable initiative by organizing an eco-friendly Diwali celebration across all departments. This event not only fostered a sense of environmental consciousness but also exemplified the organization's commitment to sustainability. Through innovative practices and conscious efforts, students were encouraged to embrace eco-friendly alternatives in their festivities, minimizing waste and reducing environmental impact. ECO CELL's proactive approach towards promoting green practices not only resonated within the organization but also set a remarkable example for others to follow.

### Nukkad Natak on Air Pollution -04-11-2022

The Eco Cell of our institution organized a thought-provoking NukkadNatak (Street Play) on the crucial issue of air pollution. The event aimed to raise awareness among BBA and Bcom students about the pressing environmental challenges we face today. The Eco Cell's NukkadNatak on air pollution proved to be an impactful and enlightening experience for BBA and Bcom students, fostering a sense of responsibility towards protecting our planet. By harnessing the power of theatre and dialogue, the event succeeded in instilling a commitment to environmental stewardship among participants.

**DISCUSSION ON WETLANDS ON WORLD WETLAND DAY- 10<sup>th</sup> February 2023**

Wetlands are those areas where the soil is covered with water or can be present near the ground throughout the year. It supports both terrestrial and aquatic species. They vary widely depending on the climate, soil, vegetation, hydrology, chemistry, and human disturbance. These areas can be found from the tundra to the tropics apart from Antarctica. Eco cell LLDIMS organised a healthy discussion on wetlands for creating awareness. This activity was held on 10.2.2023 for B.com (Hons.) students. Activity coordinated by Ms. Heena Mansoori.

**Awareness Campaign on "Khelo Holi Naturally"- 06.3.23**

Eco cell of Lingaya's Lalita Devi Institute of Management and Science (LLDIMS) organized an awareness campaign on "Khelo Holi Naturally" on 6<sup>th</sup> March, 2023 to generate awareness on safe Holi. Several posters related to safe Holi were prepared by the students to raise awareness towards the harmful impact of synthetic colours. The event was an important measure taken by the students as part of Eco Cell activity to create awareness towards harmful impact of chemical based colours and the benefits of playing Holi with eco-friendly colours.

**ACTION TAKEN**

We are following the schedule of events for monthly activities provided by the Department of Environment, Govt. of NCT of Delhi.

Following are the list of activities conducted in the year 2022-23

S. No.	Activities	Aim of the Activity	Date
1	Essay Writing Competition on Earth Day	To raise the awareness of the need to protect earth's natural resources for future generations.	22-04-2022
2	Presentation and Group Discussion on Awareness Drive on World Wildlife Day	To spread awareness about this day and how it creates opportunities to highlight the solutions we have built for a sustainable future.	03-05-2022
3	Essay Writing Competition on Ecological Footprint Vs Pollution	To spread awareness that humans can affect the environment through our day-to-day lifestyle without even noticing the change and how much a person uses the environment around them to live their life.	21-07-2022
4	Poster making competition for Awareness Drive on Noise Pollution	To spread awareness that Noise pollution is dangerous; it has negative long-term impacts on humans, marine life, and terrestrial life and hampers biodiversity.	22-12-2022

5	Activity on Vertical Garden	To provide practical knowledge to students about Vertical gardening which can improve air quality, increase accessibility, and even provide insulation for your home.	17-01-2023
6	Workshop on E-Waste Management-“How to Reduce E-Waste”	To spread awareness about e-Waste Management and for creating awareness about reduction of E-Waste management	18-01-2023
7	Discussion on Wetlands-World Wetland Day	To make students aware about numerous benefits of wetlands and to discuss aspects related to its protection.	10-02-2023
8	“Khelo Holi Naturally”	To sensitize the students towards the growing use of chemical induces colours which not only effect the environment, but also creates several health hazards.	10-03-2023
9	Awareness Campaign on Awareness Campaign on “Water Conservation”	To put forward views about the concept on the growing need of water conservation.	22-03-2023
10	Cleanliness Drive On Say No To Plastic	Create awareness among communities towards sanitation and cleanliness and to	28-04-2023

		bring about behavioral changes in the people towards sanitation and hygiene.	
11	A Campaign on World Environment Day As Part Of Mission Life of GOI	To sensitize our students towards important Environment related issues to become socially responsible citizens.	05-06-2023.
12	-"Plant Distribution for a Green and Sustainable Environment",	To make students environmentally responsible citizens.	05-07-2023
13	-" Quiz Competition on World Nature Conservation Day",	To sensitize our students towards important Environment related issues.	26-07-2023.
14	talk show on "OZONE DAY",	To create awareness about the significance of the ozone layer and the harmful effects of CFCs on the ozone layer.	16-09-2023
