6th May 2024

BCA department hosted a highly engaging workshop on Java programming. The workshop was designed for both beginners and intermediate learners, covering essential concepts such as object-oriented programming, Java syntax, and practical application development. Expert instructor on from DUCAT provided hands-on sessions, enabling students to build and debug Java applications in real-time. The event culminated in a mini-project where participants showcased their newfound skills by developing a basic Java-based application. This workshop not only enhanced the students' technical proficiency but also sparked a greater interest in software development.

6th May 2024

NSS Cell, LLDIMS organized a successful blood donation camp in the memory of the Late Prof. GV Sinha Sir. The event also saw enthusiastic participation from BCA department students. The camp provided a safe and supportive environment for donors, with medical professionals overseeing the process. This initiative underscored our commitment to community service and social responsibility.

17th May 2024

LLDIMS hosted a memorable farewell party for the graduating batch of 2024. The event was filled with nostalgia and celebration, featuring heartfelt speeches, musical performances, and a touching video montage capturing memorable moments from the students' time at the college. Faculty members shared words of wisdom and encouragement, while students expressed their gratitude and cherished their shared experiences. The evening ended with a lively dinner and dance, marking the beginning of a new journey for our graduates and leaving everyone with cherished memories.
