# ABOUT **Lingaya's Lalita Devi Institute of Management & Sciences**

With the changing world scenario and the rapid technological development new and innovative professions are coming up every now and then. Gadde Charitable Educational Trust has come up with Lingaya's Lalita Devi Institute of Management & Sciences (LLDIMS) to provide education which is not only upto the standards of the present times, but also aims to churn out hard core professionals.

Lingaya's Lalita Devi Institute of Management & Sciences is a sister organization of Lingaya's Group of Institutions and affiliated to Guru Gobind Singh Indraprastha University and approved by Govt. of NCT of Delhi. Lingaya's Lalita Devi Institute of Management & Sciences achieved 'A' Grade through NAAC Accreditation. The strength of the Institution is their experienced faculty, in-campus placements and mentorship of students.

The Institute established in 2005 aims to match its standards with the top most professional colleges of the country. The best of facilities and environment are provided to the students for their overall development. Our dream is to give the students not only quality education but also provide them opportunities in their respective professions through placement.

LLDIMS situated at Mandi Hills is an institute which aims to provide first level professional cadres in various specialized fields like management, media, education etc. The institution truly believes in developing analytical ability, critical valuation, creative things and moral values in our students.

Its location in the clean and green environment, far from the maddening crowd of the city in the lap of Aravali Hills, makes the institute free from the hustle and bustle of the city and also provides a pollution free environment ideal for studies.

# ABOUT TRAINING & PLACEMENT CELL

## **Vision**

To be a center of excellence that prepares students for successful careers and responsible citizenship through strong industry-academia collaboration.

## **Mission**

To enhance students' skills, secure quality placements, and foster industry connections. Provide career guidance, support higher education, and promote equal opportunities and entrepreneurship.

The Training & Placement Cell at Lingaya's Lalita Devi Institute of Management & Sciences is dedicated to bridging the gap between academic and professional life for our students.

## **Functions and Services of the Training & Placement Cell**

- **Campus Recruitment:**

Organizing campus recruitment drives where companies visit the institution to conduct interviews and hire students.

Coordinating with companies to understand their hiring needs and aligning them with the institution's curriculum.

- **Training Programs:**

Conducting workshops and training sessions on resume writing, interview skills, group discussions, and aptitude tests.

Offering soft skills training, including communication, teamwork, leadership, and time management.

- **Internships:**

Assisting students in securing internships to gain practical experience in their field of study.

Building relationships with industries to provide internship opportunities.

- **Career Counseling:**

Providing one-on-one career counseling sessions to help students understand their career goals and the steps needed to achieve them.

Offering guidance on higher education opportunities and alternative career paths.

- **Industry Interaction:**

Organizing guest lectures, seminars, and industry visits to give students exposure to real-world business environments.

Facilitating industry-academia partnerships for collaborative projects and research.

- **Alumni Network:**

Creating a strong alumni network to provide mentorship, job referrals, and networking opportunities for current students.

Organizing alumni meets and leveraging alumni success stories for inspiration and guidance.

- **Job Fairs and Events:**

Hosting job fairs and career expos where multiple companies can interact with students and offer job opportunities.

Collaborating with other institutions or professional organizations for joint placement events.

# STRUCTURE AND ROLES WITHIN THE T&P CELL
