VIKSIT BHARAT @2047 (Ideas for the New Vision by Students Council)

Viksit Bharat@2047 is the vision of Government of India to make India a developed nation by 2047, the 100th year of its independence.

The vision encompasses various aspects of development, including economic growth, social progress, environmental sustainability, and good governance.

To take the Journey ahead on the college level, the students council of Lingaya's Lalita Devi Institute of Management & Sciences organised a session on 21st December, 2023 at the College which was chaired by the Director, LLDIMS-Dr Pranav Mishra along with the HoDs of all departments.

The session aimed to get ideas from the students and their Vision towards themselves, their College, Society and the Country at large.

Various Ideas were generated during the session which were further brainstormed by all the stake holders for the betterment of the ecosystem and the students' contribution towards it

The Director, LLDIMS also shared his valuable insights on the topic and motivated students and staff to upskill, empower themselves for a better future ahead.
