Job Fair 2025

(9th April'25)

Mega Job Fair 2025 at LLDIMS – *Bridging Talent with Opportunity*

Lingaya's Lalita Devi Institute of Management & Sciences (LLDIMS) successfully organized a **Mega Job Fair** on **9th April 2025**, bringing together academic excellence, industry engagement, and student aspirations under one roof. The event served as a vital platform for Second year students, final-year students, recent graduates to connect with top-tier recruiters offering both **Internship** and **placement** opportunities.

Over **300 students** from various disciplines, including Management, Commerce, Computer Applications, Journalism & Education participated in the drive with remarkable enthusiasm and preparation.

The fair drew **34 reputed companies** from a wide array of industries, ranging from Information Technology and Consulting to Media, Financial Services & Teaching

Corporate Participation and Recruiter Highlights

Some of the prominent recruiters included **Genpact, Hitachi, Tech Mahindra, Wipro, Grant Thornton, Times of India, KLAY group of Schools, Orchid International School, Bharti Airtel Foundation** and several other emerging startups and mid-sized companies. These companies offered positions in **Marketing, Human Resources, Operations, Finance, Business Development, Web Development, Digital Marketing, Content Creation, and Software Development**, among others.

The variety of roles offered clearly reflects the industry's confidence in the skillsets, communication abilities, and industry-readiness of LLDIMS students.

Impressive Placement and Internship Statistics

The **placement outcomes** of the Mega Job Fair 2025 were a testament to the institutional focus on employability and skill-based learning.

- **Highest Placement Package:** ₹6.5 LPA
- **Average Package:** ₹3 LPA
- **Internship Offers:** Approximately 80% of students
- **Job Offers:** Around 70% of students

These figures highlight a strong placement season, showcasing LLDIMS's consistent efforts in aligning student capabilities with corporate expectations. The internship opportunities offered to students are expected to lead to **Pre-Placement Offers (PPOs)** in the coming months, making the fair even more impactful in the long term- **Appx 30 students from the Batch of 2024-2025 got PPOs by December 31st**

Student and Recruiter Feedback

Students praised the event for its **organized structure, wide corporate outreach, and real-time industry exposure**. Mock interviews, resume reviews, and pre-placement workshops conducted prior to the event also played a pivotal role in boosting student confidence and readiness.

Recruiters commended the **professional demeanor, clarity of thought, and technical aptitude** demonstrated by the participants. Many HR professionals expressed their interest in returning for future drives and establishing long-term talent acquisition partnerships with LLDIMS.

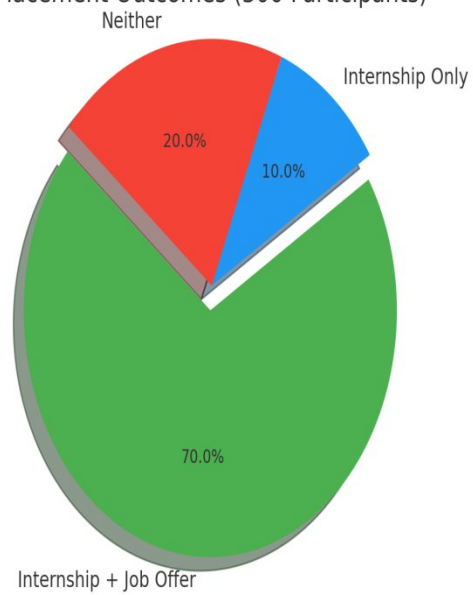

Conclusion: A Milestone in Career Development

The Mega Job Fair 2025 at LLDIMS stands as a significant milestone in the institution's journey toward becoming a center of excellence in higher education and career preparation. By successfully facilitating high-value job offers and internships, the event not only provided tangible outcomes for students but also reinforced LLDIMS's reputation as a forward-thinking, industry-connected institution.

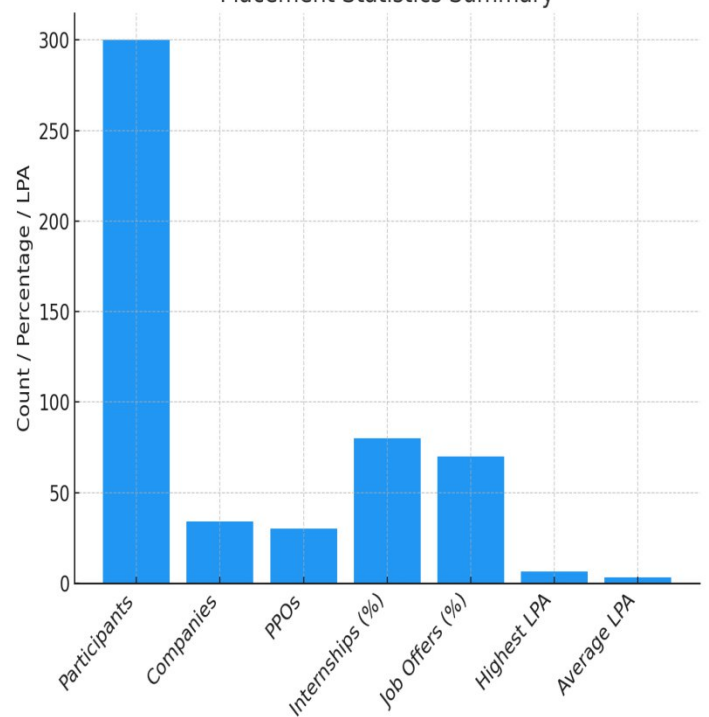

The Training & Placement Cell, under the guidance of the leadership at LLDIMS, played a crucial role in curating this experience, from company outreach to student grooming. The success of this fair is a powerful indicator of the institution's ongoing commitment to **skill development, employability, and holistic student growth**.
