

# Newsletter of May

## Department of Commerce

Welcome to the Department of Commerce's May 2025 Newsletter. This edition highlights the activities, events, and achievements of the department for this month. We are excited to share the upcoming events that will celebrate the successes of our students and faculty.

# Bizfiesta 2k25

BIZFIESTA 2025, the much-anticipated management fest of our college, was successfully held this month, leaving behind an atmosphere buzzing with ideas, innovation, and collaboration. The event served as a dynamic platform for students from various institutions to unleash their creativity, test their managerial skills, and engage in intellectually stimulating competitions. Events like B-Quiz challenged participants' business knowledge, while Brand Wars and Ad-Mad Show brought out their marketing brilliance and creative flair. The fest also featured case study competitions, mock stock trading sessions, and startup pitch battles that inspired a spirit of enterprise and out-of-the-box thinking. The campus was alive with energy, learning, and camaraderie as students came together to celebrate business, leadership, and innovation. From meticulous planning to enthusiastic participation, every aspect of BIZFIESTA reflected the collective efforts and passion of our student community. It truly stood as a testament to the rising talent and entrepreneurial drive of the next generation.

# Foundation Day

Our college recently observed the Foundation Day of the Lingaya's Group with immense pride and heartfelt emotion. This important day was not only a celebration of our institution's achievements but also a solemn tribute to the visionary behind it all – Prof. GVK Sinha, the revered founder whose ideals continue to shape our journey. A man of wisdom, foresight, and unwavering commitment to education, Prof. Sinha envisioned an institution where excellence, integrity, and innovation would form the foundation of every student's growth.

Under his visionary leadership, the Lingaya's Group transformed from a seed of an idea into a flourishing academic ecosystem, empowering thousands of young minds across disciplines. His legacy is etched into every corridor, classroom, and initiative that defines our college today. The Foundation Day celebrations were marked by inspiring speeches, cultural performances, and reflections from faculty, alumni, and students, all of whom acknowledged the deep impact Prof. Sinha's life and work continue to have.

# Commerce Conclave 2025

## A Parent - Faculty Engagement Meet

The Commerce Department successfully hosted a Parents and Faculty Meet recently, fostering a meaningful dialogue between educators and parents. The session aimed to strengthen the academic partnership by discussing students' performance, curriculum goals, and future career pathways in the field of commerce.

Parents were briefed on the department's academic framework, co-curricular activities, and student-centric initiatives. Faculty members addressed queries regarding subject combinations, examination strategies, and professional courses like CA, CMA, and CS. The interactive discussions helped parents gain a deeper understanding of their child's progress and the department's efforts to nurture holistic development.
