

LLDIMS Placement Report 2024

- The academic year 2023–2024 has been a landmark period for Lingaya’s Lalita Devi Institute of Management & Sciences (LLDIMS), reaffirming its position as a leading institution in higher education under Guru Gobind Singh Indraprastha University. The Training and Placement Cell, in collaboration with various industry partners, played a pivotal role in bridging the gap between academia and industry, resulting in remarkable placement outcomes.
- Out of 350 eligible students from various undergraduate programs including BBA, BCA, and BAJMC, B.COM HONS & B.Ed. a total of **295 students were successfully placed**, marking a **placement rate of 84.3%**. The season witnessed participation from **25+ reputed companies**, with several new recruiters joining the campus drive. This reflects the growing trust of corporates in the academic rigor and professional preparedness of LLDIMS students.
- The **highest package offered** stood at **₹7.5 LPA**, while the **average package** was **₹3.5 LPA**, and the **median package** was **₹3.2 LPA**. These figures represent a healthy balance of opportunities across diverse sectors, especially in IT, BFSI, EdTech, Consulting, and Media.
- Some of the **top recruiters** this year included **Hero Group, Physics Wallah, Grant Thornton, India News, Jeto Vacation, PlanetSpark, Allianz Partners, AIMA** etc. The institute also facilitated interviews with leading startups and government-linked educational ventures, giving students exposure to both traditional and emerging work cultures.
- The Training and Placement Cell organized over 20 pre-placement activities, including **mock interviews, aptitude training, resume-building workshops, and guest lectures** by industry experts. These efforts were instrumental in grooming students for professional roles and enhancing their soft skills.
