VISIT TO TRIBAL BUSINESS CONCLAVE 2025

Students of BBA and B.Com attended the Tribal Business Conclave 2025 held at Yashobhoomi, New Delhi, an event dedicated to celebrating tribal entrepreneurship, sustainability, and innovation. The conclave served as a powerful platform to highlight the vibrant contributions of India's tribal communities in various sectors, showcasing their unique cultural strengths, traditional skills, and eco-friendly business practices. The students explored several exhibition stalls featuring tribal products, sustainable crafts, organic goods, and innovative livelihood models. They observed how tribal entrepreneurs are leveraging modern technology, digital marketing, and value-added processes to expand their reach while preserving cultural authenticity.

A major highlight of the visit was attending an insightful session chaired by Shri Piyush Goyal, Hon'ble Union Minister of Commerce and Industry. In his address, he emphasized the need for inclusive development and the importance of integrating indigenous communities into the mainstream economy. He spoke about India's vision for Atmanirbhar Bharat, where tribal entrepreneurs play a significant role in shaping a self-reliant and globally resilient nation. His message inspired students to appreciate grassroots innovation and the potential of tribal enterprises in contributing to national growth.

The conclave provided students with meaningful exposure to real-world business practices, government initiatives, and sustainable development models. It encouraged them to think critically about social entrepreneurship and the role of ethical, community-driven business strategies.

Overall, the visit was highly enriching, offering valuable experiential learning and motivating students to support and engage with India's diverse entrepreneurial landscape.

SESSION BY PROF. (DR.) RAJENDRA PRASAD MOHANTY

An insightful interactive session was conducted by Prof. (Dr.) Rajendra Prasad Mohanty, Senior Advisor, ICFAI Group and AICTE Distinguished Professional, for the faculty members of LLDIMS. The session focused on the vital role teachers play in shaping the academic and personal growth of students.

Prof. Mohanty highlighted that teachers are not only educators but also mentors who inspire confidence, nurture curiosity, and guide students toward achieving their goals. He emphasized that every interaction between a teacher and a student has the potential to influence the student's outlook, character, and aspirations. With his vast academic and institutional experience, he encouraged faculty members to adopt student-centric approaches that promote holistic learning and positive engagement.

During the session, he also discussed the evolving expectations of higher education, emphasizing the need for teachers to continually upgrade their knowledge, adapt to changing educational landscapes, and foster a supportive learning environment. His insights motivated faculty to reflect on their teaching practices and reaffirm their dedication to student development.

The interactive discussion encouraged faculty members to share their experiences, challenges, and strategies, creating a collaborative and enriching learning atmosphere. Prof. Mohanty's thoughtful guidance served as a reminder of the profound impact teachers can have on shaping responsible, confident, and capable individuals.

Overall, the session was highly motivating, reinforcing the values of mentorship, empathy, and continuous improvement. It inspired the faculty to strengthen their commitment to nurturing student potential and contributing meaningfully to their academic journey and overall success.

M2E CONCLAVE 2025

LLDIMS is proudly organizing the M2E Conclave 2025, a dynamic platform designed to bring together academicians, industry experts, and students for meaningful exchange of ideas and insights. The conclave aims to explore the interconnected themes of Mindset, Management, and Empowerment (M2E), offering participants an opportunity to engage with emerging trends in innovation, education, and professional development.

The event will feature keynote addresses, panel discussions, interactive sessions, and knowledge-sharing forums led by distinguished speakers from academia and industry. These sessions will focus on fostering innovative thinking, enhancing academic excellence, and empowering students to embrace future-ready skills. The conclave is designed to bridge the gap between theoretical learning and real-world applications, enabling students to gain valuable perspectives from experienced professionals.

Additionally, the conclave will highlight best practices in teaching, leadership, and industry collaboration, encouraging faculty and students to adopt forward-looking approaches in their respective fields. By providing a vibrant space for dialogue and collaboration, the M2E Conclave 2025 aims to inspire participants to contribute to a culture of continuous learning and transformational growth.

STUDENTS SPORTS ACHIEVEMENT

Students of the BBA Department delivered outstanding performances at the University Sports Meet 2025, securing multiple medals and top positions across various events. Their dedication, discipline, and competitive spirit were evident throughout the tournament, bringing pride to the department and the institution.

Participants showcased exceptional talent in athletics, team games, and individual sports, demonstrating both skill and sportsmanship. Several students earned gold, silver, and bronze medals in track events, while others excelled in games such as basketball, volleyball, badminton, and table tennis. Their impressive achievements reflect months of rigorous practice and commitment to maintaining a balance between academics and sports.

The remarkable performance of the BBA students not only highlighted their physical strength and agility but also their ability to work collaboratively and persevere under pressure. Their accomplishments contributed significantly to the overall success of the college in the sports meet.

The institution appreciates the efforts of the sports faculty and mentors who guided and motivated the students throughout their journey. The achievements of these young athletes serve as an inspiration for their peers and reinforce the importance of extracurricular activities in holistic development.

December Pursuits

The GGSIPU Final Practical and Theory Examinations for all programs commenced in the months of November and December, marking an important phase of the academic session. Students are appearing for their practical assessments, viva voce, and written examinations as per the timetable issued by the university.

The examination process is being conducted smoothly and efficiently under the close supervision of faculty members, invigilators, and administrative staff. Strict adherence to university guidelines, including discipline, transparency, and proper examination protocols, is being maintained across all departments.

Faculty members are ensuring timely completion of practical evaluations, while students are participating with sincerity and dedication. The atmosphere on campus reflects a strong academic spirit, with all necessary arrangements made to support a fair and orderly examination environment.

The institution extends its best wishes to all students and encourages them to perform to the best of their abilities during this crucial period.
