

## FACILITIES ADDED DURING THE LAST QUARTER

Lingaya's Lalita Devi Institute of Management and Sciences is delighted to introduce a new add-on cafeteria facility within the campus for the convenience and well-being of its students. This initiative reflects the institute's commitment to providing a supportive and student-friendly environment that enhances both academic and social experiences.

The newly established cafeteria offers a comfortable and hygienic space where students can relax, interact, and rejuvenate during their academic schedule. It provides a variety of nutritious and affordable food options, ensuring quality, cleanliness, and accessibility for all. The facility is designed to promote healthy eating habits while also serving as a vibrant space for informal learning, collaboration, and community engagement.

Through this addition, the institute continues to strengthen its infrastructure and student support services, fostering a holistic campus experience that contributes to the overall development and satisfaction of its learners.
