AGENDA FOR THE MEETING

1. Review of previous IQAC initiatives and Action Taken Report.
2. Outcome-based education, student-centric teaching and Academic support.
3. Research Innovation and Faculty Development.
4. Skill development, employability, industry and community engagement.
5. Academic resources, budgetary planning and infrastructure.
6. Technological integration, feedback and stakeholder engagement.
7. Academic and administrative audit and quality enhancement plan.

The Action Taken Report is as follows:

S. No.	Area	Action Taken
1	Previous IQAC Initiatives	Previous recommendations and ATRs were reviewed. Departments were advised to strengthen academic documentation, planning and follow-up mechanisms.
2	OBE & Student-Centric Learning	COs, POs and PSOs were aligned with teaching and assessment. Experiential learning, practical activities, mentoring and academic support were encouraged.
3	Research & Faculty Development	Faculty were encouraged to undertake research, participate in FDPs, develop research proposals and promote faculty-student

		and interdisciplinary research.
4	Skill Development & Industry Engagement	Skill-based activities, communication, critical thinking and employability initiatives were strengthened. Industry interaction, internships, expert sessions and community engagement were encouraged.
5	Resources & Infrastructure	Departmental academic and infrastructure requirements were reviewed and resource planning was linked with student learning and programme requirements.
6	Technology, Feedback & Stakeholders	ICT-enabled teaching and responsible use of emerging technologies were encouraged. Student and stakeholder feedback was reviewed for academic improvement.
7	Audit & Quality Enhancement Plan	Departments were advised to strengthen audit preparedness and maintain supporting evidence. Inputs from the meeting were incorporated into the forthcoming Quality Enhancement Plan.

Overall Action Taken

The IQAC reviewed and followed up the major recommendations of the previous quality cycle, with emphasis on student-centric education, outcome-based learning, research, employability, resource optimisation, technology integration and stakeholder feedback. The initiatives were directed towards establishing a continuous cycle of implementation, review and academic improvement.
